

PARTNER WITH SUNNYFIELD THROUGH YOUR WORKPLACE

Are you looking for a charity to partner with? To get your staff involved and make a difference that matters? Sunnyfield can combine fundraising and staff engagement tailored to suit your needs.

CORPORATE TEAM DAY

'Enterprise Buddy Days' for corporates are a great team day activity. This unique hands-on experience provides the chance for staff to engage directly with people with disability at one of our Australian Disability Enterprises in Allambie Heights, Chatswood or Mt Druitt. Staff will buddy up with a supported employee and participate in their job together for the day. Our employees love the social interaction and your staff are guaranteed to find it both rewarding and challenging!

FUNDRAISING OPPORTUNITIES

Get your staff engaged for a purpose – to make a difference for people with disability. There are lots of great ways to fundraise for Sunnyfield, including:

- Gold coin fundraising event – morning tea, trivia night, mufty day, etc.
- Raffle – Sunnyfield can assist with some small prizes
- Active August – Pick one of the many organised events around the month of August (such as City2Surf, Pub 2 Pub, Sydney Tower Stair Challenge, Blackmores Marathon, etc.) and set up an online fundraising page
- Buy a ticket or table at Australia's biggest charity race day at Rosehill Gardens, of which Sunnyfield is a beneficiary

PARTNER WITH SUNNYFIELD THROUGH YOUR WORKPLACE

ABOUT SUNNYFIELD

Sunnyfield's mission is to enrich the lives of people with disability by creating choice, opportunities and skills for life.

Since 1952, we have supported people with intellectual disability, and today over 1650 people with disability access more than 2130 services at Sunnyfield, from 78 sites across NSW and ACT.

- Accommodation services – 215 residents in supported accommodation; 80 clients accessing short term accommodation; and 20 independent living residents
- Community Services – 1150 clients participating at community hubs; or being supported in community based activities or with drop-in support in their homes
- Social Enterprise – 220 supported employees; and 60 commercial business customers
- Support Coordination – 220 clients accessing support coordination to help them maximise their NDIS plans

Our footprint stretches from Tweed Heads to the ACT, with services in the Central Coast, New England region and all throughout Sydney.

FUNDRAISING

Sunnyfield is a registered charity with the ACNC and uses donations to fund resources needed and not covered by NDIS funding. This includes funding for:

- Items in Shared Living homes (furniture, appliances, whitegoods)
- Property refurbishments (painting, flooring, upgrades)
- Much needed vehicles for daily transport (including wheelchair modified vans)
- Creative arts and fitness programs (including an annual sports camp)
- Technology (touch screen computers, iPads) to teach skills such as budgeting, following a recipe or road safety

100% of donations are used to benefit these projects.

We welcome the opportunity to partner with you and can help acknowledge and promote the partnership!
